

We begin the holy season of Lent this Wednesday. We begin with the ancient symbol of ashes which visually represents people who are working to change and to repent. This 6 week season is a time to pray and reflect on the need to change and renew. The readings from Scripture focus on the public life of Jesus and the many Gospels in which he actively teaches. All this leads us to Holy Week and the joyous celebration of Easter.

Ash Wednesday Mass with Archbishop Jerome ListECKi

Pius XI High School Field House
