Dear Parents and Guardians,

Happy New Year! May this year be one of blessing and new ways for us to come together in support and reassurance. Times continue to appear challenging when we listen to news reports, and when we think of the people in our own social groups who have been directly impacted by COVID. We are fortunate that we are in school, and that together we strive to provide safety precautions for everyone.

It may be helpful to review some of our COVID protocols at this time.

In school we will continue with the following guidelines for COVID:

- A student who **has contact** with a known Positive case will quarantine 5 days, produce a negative test and return to school if showing no symptoms.
- A student who **lives with** a known Positive case will quarantine 10 days, produce a negative test and return to school if showing no symptoms.
- A **student who tests Positive** will quarantine 10 days and be showing no symptoms to return to school.

We will continue to monitor guidance from the Milwaukee Health Department and the CDC in continuing COVID protocols for St. Vincent Pallotti.

In school we will continue to mask in classrooms, school hallways, and church. We will continue to practice frequent hand washing and sanitizer usage. We will continue to sanitize high usage areas and use air purifiers throughout the building. We will continue to have students use personal water bottles. We will continue to have our cleaning company deep clean on Wednesday evenings.

**If your student is in a mandatory quarantine, PLEASE NOTE that the student must have daily academic contact with his/her teacher and be completing their work to be counted PRESENT in school. Otherwise, they will be counted ABSENT and this is documented in the report card record for this school year. In the MIDDLE SCHOOL this does mean the student must have contact with Mr. Baar, Mrs. Kloss, and Ms. Zugel, each, and be completing the academic work.**

**2 reminders:**

- Every Friday is a Noon Dismissal Day, and it is a school day in which each academic subject is taught, and tests may be given.
- Martin Luther King Day, NO SCHOOL, Monday, January 17.

Peace and all Good,

**Jeffrey Johnson**  
Principal

Dear Parents and Guardians of Grades 5,6,7,8,

We have the opportunity to take students to a wonderful production at the Marcus Performing Arts Center downtown on Thursday, February 3.

The show is called 'Black Violin'. Violist Wil Baptiste and Violinist Kev Marcus combine their classical training and hip-hop influences to create a distinctive sound often described as "classical boom". These musical artists challenge preconceived ideas of what a classical musician looks and sounds like.

The Marcus production begins at 12 Noon on Thursday, February 3. We will leave school by bus at 11:15 AM. We should be back on campus around 1:45 PM.

The cost of bus and program is \$5.00.

We are pleased to provide this educational opportunity for our students to enhance their in-school learning with broader community connections.

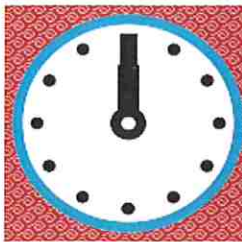

Please sign this letter to indicate your awareness of this field trip, and to allow your student's participation. Inform our main office if the cost presents difficulty.

Sincerely,

Jeffrey Johnson
