WE INSPIRE. WE CHANGE LIVES.

08/30/2023

Dear Parents and Guardians,

Thank you for a successful first few days of school! Now that we are off and running, it is imperative that we continue to start the year off right. There are many things that we can do to help our students at school in order to help their success. Here are a few reminders and events that are coming up:

- **Thursday, September 7:** We are holding our first Home and School Association meeting at 5:30PM in the Art room. All are welcome to plan for this year's fundraisers, such as the Pasta Dinner and the Halloween Party.
- **Thursday, September 14:** Mandatory all parent meeting will be held in the gym at 6:00 PM to discuss logistical elements of school, family handbook essentials, and more.
- **Immunization:** Just a reminder to send back all immunization information to the office as soon as possible if you have not done so. We are looking to have 100% compliance with DPI regulations.
- **Before and After School Care:** YMCA before and after school care starts on Tuesday September 5. Please contact the school office if you have any questions regarding this program.
- **Building Security:** Over the summer we have taken measures to enhance security in the building. We now have cameras in both the lower and upper levels of the school, and are looking to add cameras outside the building very soon. We have also added a screen in the school office so we can monitor all cameras in real time.
- In the case that you are picking up a student from school or dropping off between the normal arrival or dismissal times, we will need all parents to check into the office and wait in the office for any business to be complete. Parents and visitors are not allowed to pick children up from their classrooms or otherwise walk through the building during school hours without a pass that is given. Thank you for your understanding!
- **Parking Lot Traffic:** We have a great start so far, but we always like to remind drivers to be conscious of students in the parking lot and walking out to cars on the street. Thank you for being aware!

With Gratitude,

  
Joe Fryda  
Principal
